1. The publication referred to in item "a" of the letter from the Portuguese Military Attache dated 27 July 1954 consists, as indicated, of articles which were ^{all} reprinted from the Signal Corps Bulletin, a publication which is classified ~~RESTRICTED~~. In view of this is unclassified, according to information recently received from the Office of the Chief Signal Officer (Training).

2. If any copies of the item "a" can be found, there appears to be no good reason why a copy should not be made available to the Portuguese Military Attache.

→ On this point it is suggested that the request be referred to the Office of the Chief Signal Officer for attention.

2. If the Chief Signal Officer has no copies of the ^{books containing the} reprinted articles, a copy of the ~~book~~ can be made available to him from a small supply ~~stock~~ on hand in this agency.
